

Community Garden Mentor Training

Why be trained?

Great opportunity to grow your leadership and gardening skills. Learn more about the U of M Extension program resources. Be able to share and encourage other gardeners in your community.

We provide:

- Six training sessions at Mt. Airy Community Center
- Classes led by Master Gardeners
- Free snacks, Resource Binder, fieldtrip and a t-shirt.

Applications due 12/31/2019

Class Schedule: Mondays 4-6 PM
2/24, 3/2, 3/9, 3/16, 3/23, 3/30

Field trip in April or May. More information to come!

Topics may include:

* Growing Vegetables * Soil Quality *
Composting * Fertilizers * Indoor Plant
Care * Community building &
mediating conflict *

We ask you to:

- Be able to drive, walk, or bus to the training site
- Attend at least 5 of 6 training sessions
- Connect with your community and share garden resources once a month
- Provide garden updates to the Resident Council
